Register for your Continuing Education Opportunity. Dates & registration information inside!

2019 CONTINUING EDUCATION REGISTRATION

DNR REQUIRES 6 HOURS OF CONTINUING EDUCATION ANNUALLY

Every site (including the WI Groundwater Conference) offers all 6 hours of required credit during the same day except for heat exchange. Four hours are offered for morning classes and two hours for the afternoon. Classes follow a different schedule both day in Wisconsin Dells. Please note, heat exchange drillers must attend both days (1/10 - 1/11) in order to receive all 6 credits. Up to 2 credits will be offered at the Waukesha, Green Bay, Eau Claire, Stevens Point and Rothschild locations. The WWA will offer classes for water well drill rig operators that need extra classes to earn their license in the future.

To earn the trade show credit for the one hour of DNR approved continuing education credit, you must stay in the trade show for at least one hour, visit a minimum of 15 booths and get your attendance sheet marked.

Check in starts at 7:00 am, arrive by 8:00 am to receive full credit and to not risk losing your seat to a walk-in.

- Fees include continental breakfast, morning break, and lunch.
- WWA Member pricing is \$150 before the deadline, \$190 after, and \$250 the day of the event. Non-members add \$40.
- NO REFUNDS - but registrations may be transferred to another person.
