2:30 p.m.	Bar Opens
3:00 p.m.	Networking Reception & Prizes

**\$125.00 per person for Everything!**

We invite you to join us for our first-ever sporting clays event! **This is our Fall fundraiser for our well construction projects around the world, so not only will you have fun, you'll be helping us raise money too!**

Gather with your fellow vendors and contractors, network, show off your shooting skills, pick up a few pointers for the hunting season ahead. Whether an expert or beginning, this event is for you. Shoot as much as you'd like (or as much as you can) during the day and try all of the course configurations including 100-target and 50-target Sporting Clays, Make-A-Break, Target Flurry, Poison Bird, Crossing Teal, and Wobble Bird.

Register yourself and a group, bring a shotgun, plenty of shells, eye and ear protection, and any other gear you may need. Follow a few safety rules and have a blast! We'll take care of everything else!

Register today and bring a friend!

This event is open to WPWS and WWA members and their guests.  
Station sponsorships are available for \$150.00. Includes signage, logo in program, listing in newsletter.

For more information, contact WPWS at 888/782-6815.

## HELPING TO BRING WATER TO WISCONSIN AND TO THE WORLD....

Proceeds from this outing will be used to support well projects throughout the world.

*We've now drilled three wells in Uganda! Help us say "yes" to a fourth!*

Our industry has delivered water - in a safe and cost-effective way - to homes, farms and businesses across the state. **Our codes, our licenses, our inspections, our products, our training/education, and our people - people like you - are the reasons for our success.** But things aren't quite the same in the rest of the world....

**According to the World Health Organization, 1.1 billion people worldwide lack access to clean water**—about one person in six. As a result, 4,900 people die *each day* - ninety percent of which are children under age five - because of a lack of water or water lacking in quality.

**We have now made three well grants and hope to make a fourth possible this year. Your support for this outing will help us to say "YES!" to another community in need.**

To see how we are making a difference, we'll continue to provide project updates, photos, and stories about how our project is changing lives. Closer to home, we are sharing the news about our good work, **bringing awareness not only to a worldwide water problem, but to the good work that is being done by our industry.**

We may be fortunate to live where we do, but there's more than just luck involved with clean water. The story of clean water in Wisconsin includes all of you....
