Event Overview

The 2026 WWSA Annual Conference is an opportunity for attendees to receive their required continuing education credits, while also creating lifelong professional connections. This family-friendly event includes continuing education classes, the tradeshow, welcome reception, silent auction, raffles, the annual bowling tournament and more.

CONTINUING EDUCATION

The WI DNR requires licensed water well drillers, heat exchange drillers, pump installers and rig operators to attend six (6) hours of continuing education during each calendar year for each license held. The WWSA provides 6 hours of continuing education for water well drillers and pump installers on Thursday alone; however, there is great education and networking also available on Wednesday. If you have any questions, please contact the WWSA office.

RAFFLE

Make sure to purchase your tickets for a chance to win one of MANY amazing prizes! Ticket sales will begin at the General Membership Meeting on Wednesday, January 7th. The drawings will be held in the tradeshow on Thursday, January 8th.
